

# Opto Diode Corp Hazardous Material Certification

Date of Issue: January 20, 2025

Company Name: Opto Diode Corp

Company Address: 1260 Calle Suerte, Camarillo, CA 93012

---

## Description of Hazardous Material

- **Material Description:**

The products manufactured and supplied by Opto Diode Corp may contain hazardous materials in the form of heavy metals, chemicals, or other substances that may pose health, environmental, or physical hazards when improperly handled. These include, but are not limited to, compounds used in semiconductor fabrication.

---

## Hazard Classification

The following classifications apply to Opto Diode Corp products in accordance with safety and regulatory standards:

- **Regulation Compliance:**

Opto Diode Corp products are in compliance with relevant hazardous material regulations:

- OSHA Hazard Communication Standard (29 CFR 1910.1200)
  - EPA Hazardous Waste Management (RCRA)
- 

## Handling & Storage Guidelines

- Handling:
  - Only trained personnel should handle products containing hazardous substances.

## Opto Diode Corp Hazardous Material Certification

- Protective gloves, eye protection, and face shields must be worn when handling or assembling products.
- Avoid inhalation of fumes or dust during the handling of semiconductor wafers or other materials that may release hazardous particles.
- **Storage:**
  - Opto Diode Corp products are stored in a dry, cool, and well-ventilated area.
  - Materials are stored in sealed, labeled containers to prevent leaks, contamination, or accidental exposure.
  - Materials are kept away from heat sources, open flames, or other incompatible substances.

---

### **Certification Statement**

Opto Diode Corp certifies that all Opto Diode Corp products and materials that contain hazardous substances meet all required safety and compliance standards. The products are labeled with appropriate hazard warnings, and the necessary handling, storage, and emergency procedures are outlined to ensure the safety of personnel and compliance with all regulatory requirements.

---

**Sincerely,**

**Opto Diode Corp**
